

# Konrad Pietralski

Bachelor of Computer Programming

## ABOUT ME

I am an ambitious person and I am looking for a job where I could develop and gain new experience. Specializing in React and being passionate Frontend developer with some commercial experience.

## SKILLS

React.js	Teamwork
TypeScript	Communication
SCSS	Flexible
Tailwind	Problem solving
REST API	Critical thinking
Next.js	
JavaScript	
HTML	

## EXPERIENCE

**WizCode | Jul 2022 - Jul 2023**

Junior React Front-end developer

Working as part of Front-end team in

<https://www.powerso.pl/> project that is focused in delivering optimized and advanced web application with services like user account and reservations.

- Working with API
- Implementation of new features and bug fixes
- Creating custom and reusable components
- Working with libraries like Leaflet and Headless UI
- Working with experienced senior Frontend developers
- Team meetings and planning
- Writing clean code with good programming practices

I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
